1. Using a pen or marker (not included) write what you are thankful for on each of the small leaves.
2. Insert six of the satin cording pieces into each hole at the top of the foam leaves and tie in a knot. If desired, you may cut some of the length off of a few of the cords to vary the size. Tie the remaining ends of each cording to each of the holes at the bottom of the printed bible verse leaf as shown.
3. To make the hanger, insert the last satin cording into the hole at the top of the printed bible verse leaf and tie the ends together.
