8.5"

13811170 Parts of an Apple Craft Kit

1. Remove the adhesive backing from one end of the paper strip. Adhere the adhesive strip to the inside of the top of the craft roll. Remove the adhesive backing on the other end of the paper strip, and adhere the adhesive strip to the inside of the bottom of the craft roll. Repeat with the remaining paper strips.

2. Adhere the remaining foam pieces as shown. Use the adhesive foam squares to adhere the leaf and stem
