

48/6220 Halloween Wood Necklace Craft Kit

1. Create your own design or thread the wood charms and beads onto the cording using the illustration as your guide.
2. Tie a knot after the last bead on each side of the cording to hold the beads in place.
3. Thread the end of the cording through the plastic clasp and tie a double knot. Trim the end from the cording and pull the knot inside the clasp. Repeat for the other side of the cording.
