

13578148 Sea Horse Foam Craft Kit

1. If creating the green sea horse use the green ink pad, if creating the purple sea horse use the purple ink pad, if creating the blue sea horse use the blue ink pad and if creating the pink sea horse use the pink ink pad. Press your finger or thumb on the ink pad. Press your finger onto the paper. Repeat until the paper has your desired amount of finger prints. Wash remaining ink off of fingers.
2. Remove the adhesive backing from the rhinestones and adhere eight of them to each side of the sea horse as shown below.
3. Remove the adhesive backing from the foam sea horse and adhere the pom-poms on each side of the sea horse head as shown below.
4. Remove the adhesive backing from the wiggle eyes and adhere them to the pom-poms as shown below.
5. Accordion fold your finger printed piece of paper and thread it through the opening in the middle of the foam sea horse.
