1. Adhere the disciples stickers to the turquoise backing.
2. To make the hanger, fold a length of long cording in half and adhere one foam Jesus to the middle of the cording, leaving about an inch of cording hanging out of the bottom. Sandwich the cording between the two Jesus pieces.
3. Thread a length of short cording through a hole in the top of the turquoise foam and tie in place, repeat for other short cording. Remove the adhesive backing and adhere the foam cloud sign to the two pieces of cording, sandwiching the cording and the ends of the Jesus hanger between the two large clouds. Adhere one small cloud to the cording, on each side sandwiching the cording in between the two small clouds.
4. Remove the adhesive strip and adhere the turquoise foam backing to itself forming a tube.
