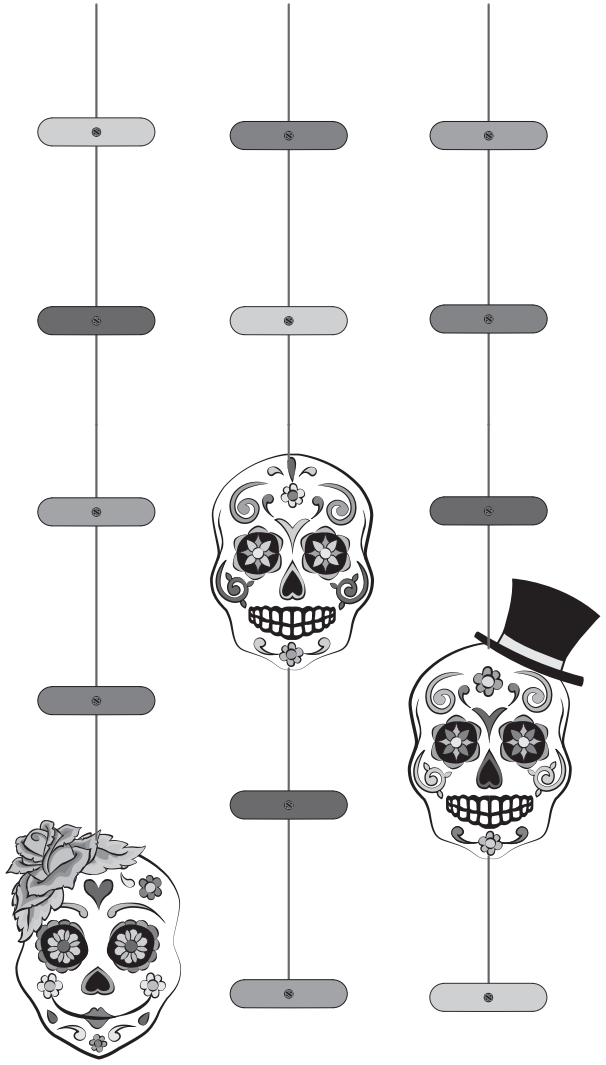
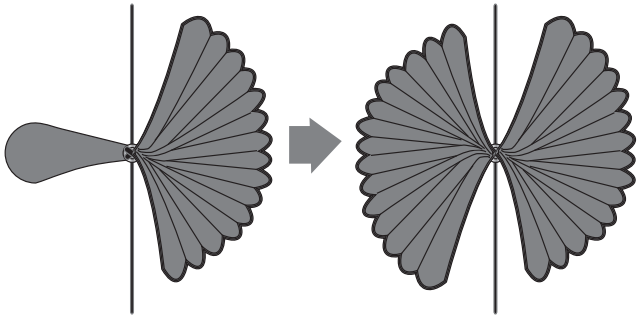
STEP 1:

Carefully remove the three pieces of garland from the bag. Lay out the garland on a flat surface.



STEP 2:

Unfold the decoration, smooth out the tissue paper and flatten the accordion folds open to your work surface.

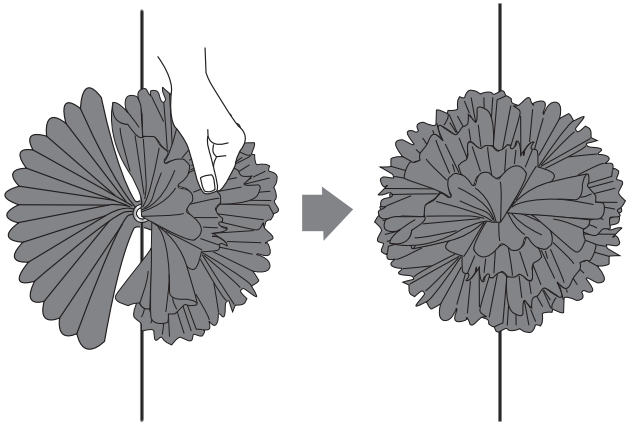


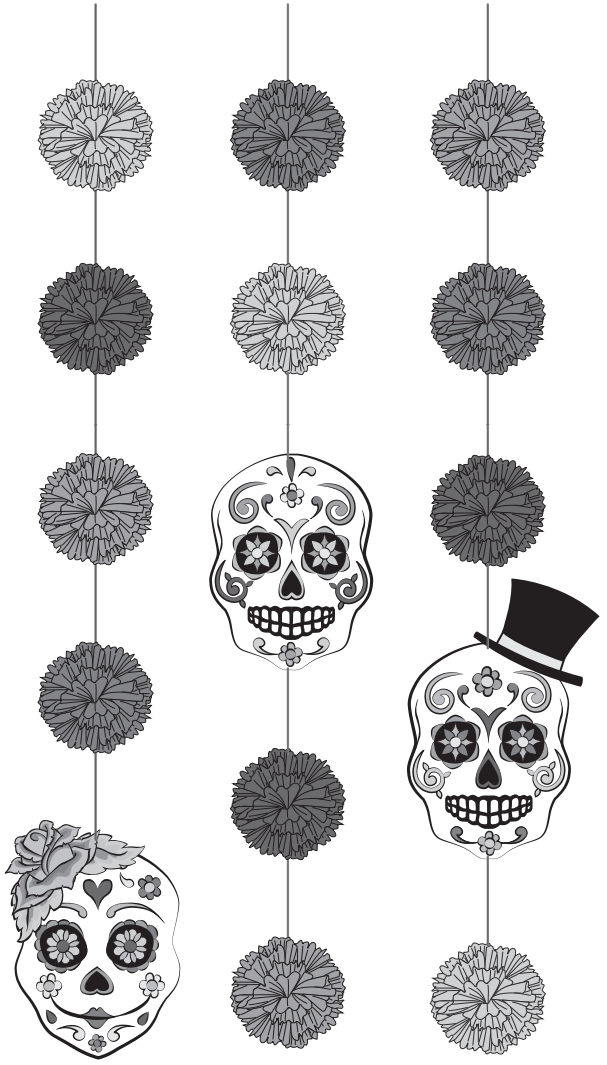
STEP 3:

Gently pull from each point of the folds, starting with one end of the tissue, pulling up towards the center.

Continue pulling the points of the top five sheets to the center to form a half circle.

Repeat with the other side of the pom-pom.



STEP 4:


Repeat steps 2 and 3 for each pom-pom. Hang your Day of the Dead Decoration and enjoy!
