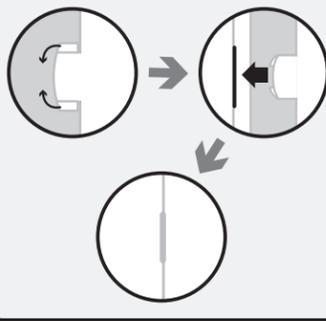

#### DIAGRAM 1

- When folding the pieces make sure the print is facing outward.
- Follow the diagram below to insert and close the tab openings.

#### DIAGRAM 2:

- When folding the pieces make sure the print is facing the same direction.
- Follow the diagrams below to insert the tabs into the tab openings.

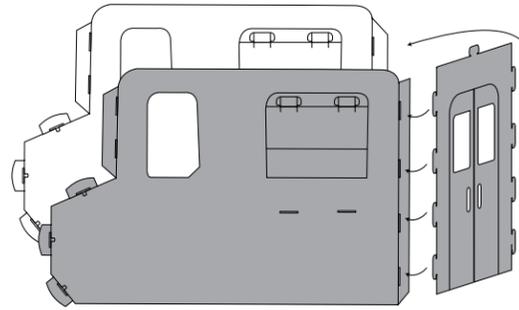

#### STEP 1:

Color each piece how you see fit.

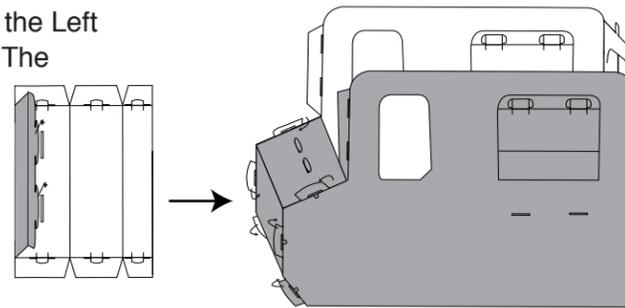

#### STEP 2:

Attach the Back Door (A) to the Left Side (F) and Right Side (G) by inserting the tabs as shown.

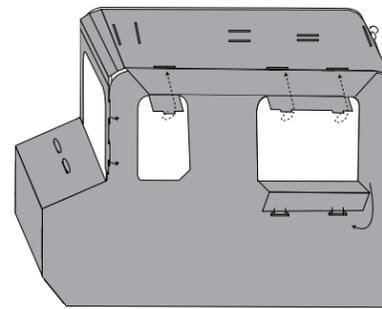

#### STEP 3:

Fold the headlights on the Hood (E) under and insert into the slots. Place the Hood onto the front of the truck and insert all of the tabs into the Left Side (F) and Right Side (G). The headlights will be on top.

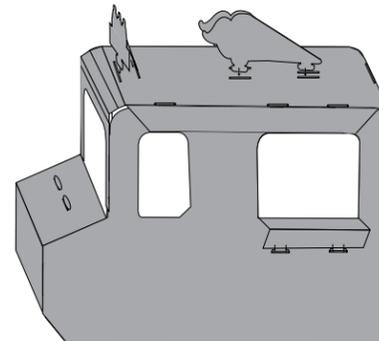

#### STEP 4:

Fold the large window down on the Right and Left sides and insert into the appropriate slots. Set the Roof (D) onto the top of the truck. Fold the sides around the windows and push the notches into the slots. Fold the tab on the top of the Back Door (A) into its slot on the Roof.

#### STEP 5:

Fold the Center Topper (B) in half and place the tabs into the slots in the center of the Roof (D). Do the same with the Front Topper (C) and insert at the front of the roof. You're finished!
