

Teacher Resource Guide

Instructions:

1. Color the rocket as desired.
2. Use sticker sheets to stick straws to the back side of one rocket.
3. Place the ends of the string through straws and tie beads with a knot on the ends.
4. Use the double-sided adhesive foam to stick the two rockets together.
5. Hang your rocket on a doorknob or coatrack and pull the beads to watch it soar.
