

# 13833690 Magic Scratch 4th of July Suncatchers

## Instructions:

Use the scratch tool to scratch all the coating off of the acetate piece or create your own design. (Tip: Place the foam sign piece on top of the acetate sheet and use like a stencil to align your design.)

Using the picture as a guide, adhere the pieces together as shown.

Tie the ends of the cording to the foam sign to create the hanger.
