

13834033 Unicorn Dream Catcher Craft Kit

Instructions:

1. Tie the string to the hoop. Use the diagram below to make the web using half hitch knots. Continue to thread the string around the hoop to make your desired pattern. Once you are done, tie the string in a knot and trim away the extra string.
2. Using the diagram below, attach the fabric strips to the bottom of the hoop. Attach the cording to the top of the hoop to make the hanger.
3. Glue (not included) the inner ear to the outer unicorn ear. Glue the ears to the hoop by folding the tab towards the back of the unicorn ear and gluing. Attach the horn by folding and gluing the tab. Assemble the flowers and glue to the hoop.
