

# 13834041 RAINSTICK CRAFT KIT

## Instructions:

1. Push the wood dowels through the holes in the craft tube.
2. Attach a lid to one end by pushing the lid onto the end of the craft tube and then peeling and sticking a foam piece to secure the lid to the tube.
3. Pour the plastic pellets into the tube.
4. Attach the second lid to the other end of the tube.
5. Decorate the tube with the remaining foam pieces.
