BEFORE YOU BEGIN ASSEMBLY:

- Check that all materials are included in your kit.
- Please read through the instructions before you begin assembly.
- Make sure that your work area is spacious enough to assemble the item.
- Assembly time should be about 30 minutes for two people.

HELPFUL TIPS:

- When folding the pieces make sure the print is facing outward.
- Follow the diagram below to insert and close the tab openings.

HELPFUL TIPS:

- When folding the pieces make sure the print is facing the same direction.
- Follow the diagrams below to insert the tabs into the tab openings.

STEP 1:
Fold pieces A through D along the score lines and form into a square tube. Secure the tabs.

STEP 2:

Slide B over A to make one post, lining up the seams and the square side tabs. Press the side tabs inward to secure the post together.

Repeat Step 2 by inserting D over C to create a total of two posts.

STEP 3:

Fold E along the score lines and form a square tube. Secure the tabs together.

STEP 4:

Take E and with the slits facing downward, insert E into the square cut outs on the side of each post to create a frame. Once inserted press downward to secure the beam into place.

STEP 5:

With the printed side facing you, insert the tabs on F into the slits on G. After being inserted, the tabs will stick out the unprinted side.

Insert the tabs on H into the slits on I.

STEP 6:

Using the Plastic Plugs (J) attach the assembled Top Topper and assembled Bottom Topper to the archway frame as shown.

Your African Tribal Theme Arch is finished!

Have fun with your new arch!

Use it as a display piece or as part of a scene.
