

13941428 Father's Day Tissue Acetate Card Craft Kit

Instructions:

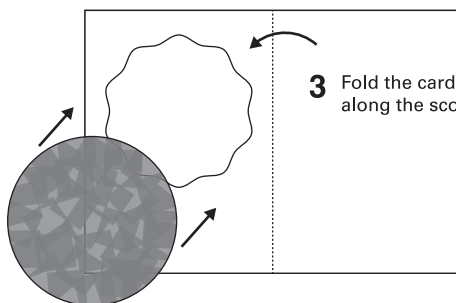

To make the tissue paper glaze, mix white glue (not included) with a small amount of water until the glue is a thin liquid.

Use a paintbrush (not included) to apply the glaze to one side of the acetate sheet. Place the tissue squares on the acetate and then cover with a layer of glaze. Allow time to dry. Trim any pieces hanging off edge of acetate.

Assemble the pieces as shown.

2 Use tape (not included) to adhere your finished acetate picture to the inside back of the card.

3 Fold the card in half along the score line.

4 Adhere the foam pieces as shown.
