**Step 1.** With printed side facing you, fold item along score lines before assembling.

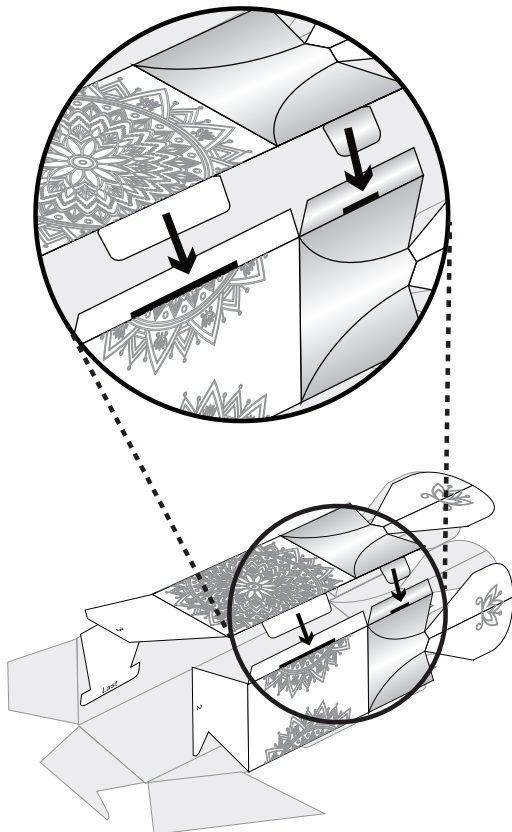

Fold dotted lines by pushing printed side away from you.

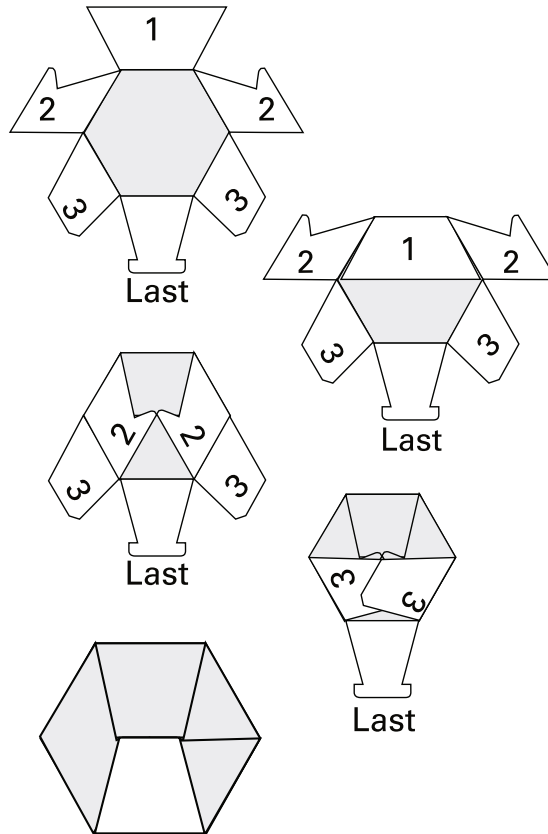

Fold remaining lines the opposite way.

**Step 2.** Fold into a cylinder shape and insert the side tabs to secure shape.

**Step 3.** Push the bottom tabs inward by number order as shown.

Push the last tab through until it locks in place

**Step 4.** Fill with desired goodies (not included) and using the cording, tie the box closed.
