Bingo Instructions:

1. Hand out a Bingo card and chips to each player.
2. Shuffle the call out cards and place them face down.
3. Assign 1 person to be the Caller, or take turns. Draw a card and announce it to the group.
4. Each player places a chip on their Bingo card if they have the announced space.
5. A player wins if they get 4 covered spaces in a horizontal, vertical, or diagonal row. They should shout, "Bingo!"
   You can also play "Blackout Bingo" where you must fill all the spaces on your card to win.
6. You can check their Bingo card by comparing it to the cards that have been called out to make sure they are a winner.
7. Have everyone clear their Bingo cards after someone wins.
