

Streamer Decoration Kit Instructions

1. Decide how long to make your streamers. Double that length and cut your streamer to that length. (Scissors not included.)
2. Insert one end of the streamer into one link at the bottom of the frame and pull half way through slowly and carefully.
3. Continue adding streamers until desired look is achieved.

Note: Some kits may include accent pieces. Attach the accent pieces with tape or glue dots. (not included).
