

13957330 Christmas Plate Snowglobe Stand-Up Craft Kit

Instructions:

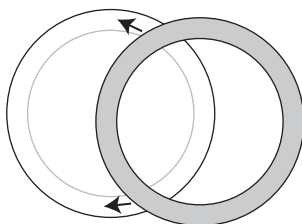

Using the picture as a guide, adhere the pieces together as shown.

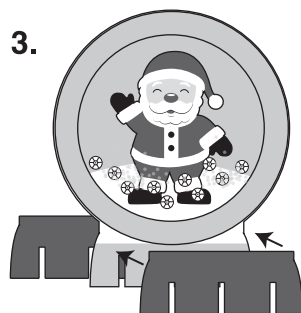

1.

Adhere Santa to background piece.
Remove one side of double-sided adhesive foam and adhere to top of plate.

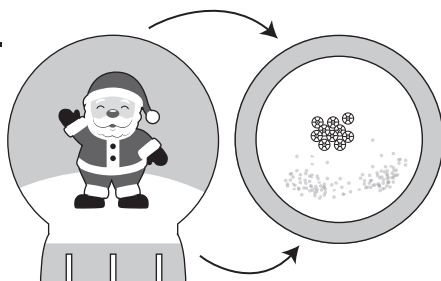

3.

Adhere large foam bases to front and back.

2.

Put glitter and sequins on plate. Remove other side of the adhesive foam piece, turn background piece facedown onto the plate and press firmly around edges to secure.

4.

Insert small foam bases for snowglobe to stand.
