

13957413 Tabletop Accordion Tree Craft Kit

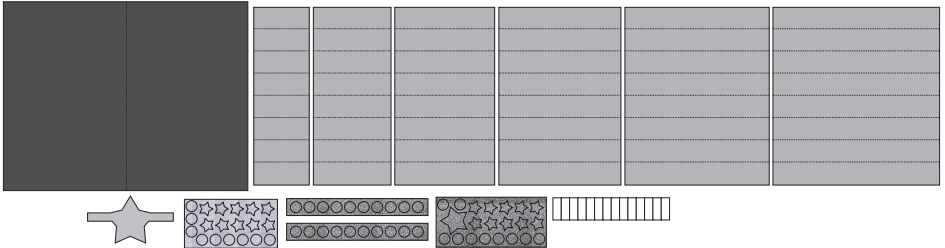

Instructions:

Fold the green pieces of paper accordion style, using the dashed lines as your guide. Then fold the folded fan in half. Use a piece of tape (not included) to secure the center of the fan together.

Use 2 of the double-sided adhesive tabs for each fan to secure the fans to the blue paper background.

Fold the tabs of the star back and use the double-sided adhesive tabs to secure to the background paper.

Decorate tree and background.

Fan folded in half.
