## Playing the Game:

1. Shuffle the cards
2. Deal one card face-up to each player and place the remaining cards face-down in the middle of the playing area making the draw pile.
3. Flip over the top card from the draw pile and players try to find the one Search the Star symbol that appears on their card and the center card.
4. The first player to call out the matching Search the Star symbol collects the center card.
5. Flip over the next center card and repeat steps 3 and 4.
6. Play continues until there are no cards remaining in the center (draw pile).
7. Player with the most cards in their pile wins the game.
8. If there is a tie, shuffle the number of tied players plus one and deal each player a card. For example, if there is a tie between 3 players, shuffle 4 cards. Flip the remaining card in the center. The first player to match the Search the Star symbol between the center card and their card wins.
