

13968954 Work of God Father's Day Tool Belt Craft Kit

Instructions: Using the pictures as a guide, adhere the pieces together as shown.

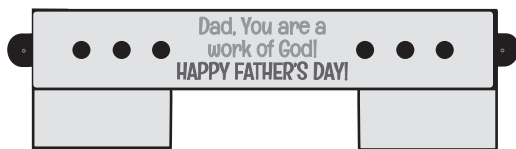

Step 1:

To attach the pockets to the belt: Turn the large belt piece over so that the printed side is facing down. Use the long yellow adhesive foam strip to attach 2 of the pocket pieces to the belt as shown.

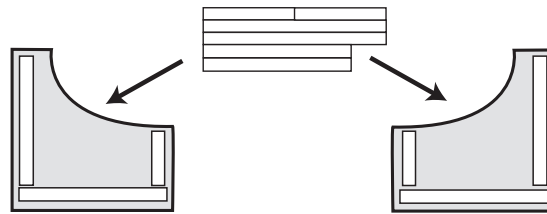

Step 2:

Turn the large belt piece over so that the printed side is facing up. The belt will look like this.

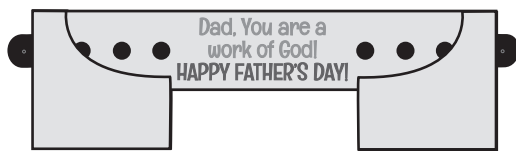

Step 3:

Place double-sided adhesive strips on the remaining 2 pocket pieces as shown below.

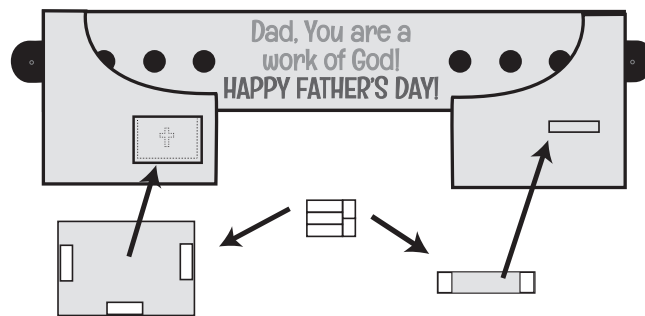

Step 4:

Align front pockets as shown, and attach the pockets to the front of the belt.

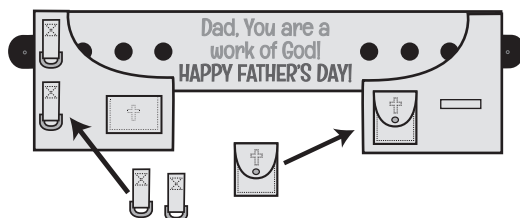

Step 5:

Use adhesive strips to attach the small pocket and the yellow strip that will hold the hammer, as shown below.

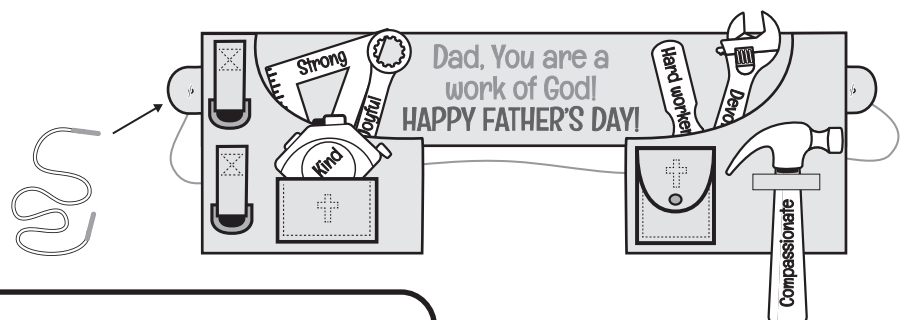

Step 6:

Peel and stick the remaining foam accessories.

Complete your craft: Push tips through the holes to attach the elastic band. You can color and write about your dad on each tool, then place the tools into the belt as shown.
