

# 13970855 Poppy Wreath Craft Kit

## Instructions:

1. Using one piece of cording, tie the green flower base to the center of the wreath. Tie the remaining piece of cording to the top of the wreath to create the hanger.

2. Adhere the green leaves onto the wreath base.

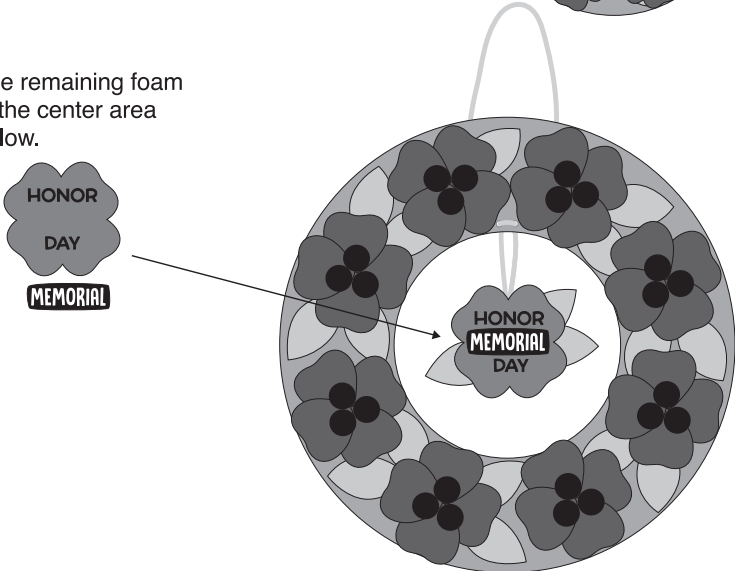

3. Adhere four petals on top of the leaves.

4. Adhere three black foam dots to each flower.

5. Adhere the remaining foam pieces in the center area shown below.
