### BEFORE YOU BEGIN ASSEMBLY:

- Check that all materials are included in your kit.
- Please read through the instructions before you begin assembly.
- Make sure that your work area is spacious enough to assemble the item.
- Assembly time should be about 30 minutes for two people.

### HELPFUL TIPS:

- When folding the pieces make sure the print is facing outward.
- Follow the diagram below to insert and close the tab openings.

**STEP 1:**  
Fold pieces A through D along the score lines and form into square tubes. Secure the tabs.

### STEP 2:

Slide B into A to make one post, lining up the seams and the square side tabs. Press the side tabs inward to secure the post together.

Repeat Step 2 by inserting D into C to create a total of two posts.

### STEP 3:

Fold E along the score lines and form a square tube. Secure the tabs together.

### STEP 4:

Take E and with the slits facing downward, insert E into the square holes on the side of each post to create a frame. Once inserted press downward to secure the beam into place.

### STEP 5:

Using the Plastic Plugs (H) attach the Banner pieces (F & G) to the top of the archway frame where shown.

### Your arch is finished!

Have fun with your new arch!

Use it as a display piece or as part of a scene.
