

14091741 Woven Heart Ornament Craft Kit

Instructions:

1. Fold two the felt ovals in half.

2. Take a folded oval and open the top loop. Take another oval and pull the top loop through the open loop (a). Weave the right loop in and out of the left loops (b). Slide the woven part up towards the top of the left half to make room for the next row (c). Start the second row by inserting the next right loop into the next left loop (d). Keep weaving in this way until all loops are done (e). Attach the card with the cording hanger to the heart through the top loop.
