

14091763 Christmas Candle Ornament Craft Kit

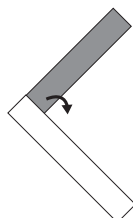

Instructions:

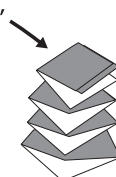

1. Take the two strips of paper and overlap ends to form a right angle. Secure ends with a double-sided adhesive square.

2. Snugly fold the lower paper strip over the top one.

3. Next, fold the paper strip that is now on the lower layer snugly over the paper which is on top. Continue folding the lowest paper strip over the top paper strip, until the entire length of the paper has been folded into a square. Secure ends with a double-sided adhesive square. This creates a "spring."

4. Tie the ends of the cording to the backing to create the hanger.

5. Use double-sided adhesive squares to adhere the spring to the backing piece.

6. Using the picture as a guide, adhere the remaining pieces as shown.
