

14091773 Christmas Wood Tag Craft Kit

Instructions:

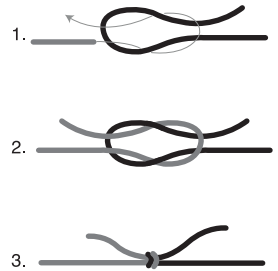

Note: Use caution if using a hot glue gun.

Using the picture as a guide, assemble the craft as shown.

1. Thread the wood tag onto the middle of the jute cording.
2. Thread the wood beads onto the jute cording as shown. Tie a knot at the top of the wood beads.
3. Loop the Jute and tie the ends together to create the hanger.
4. Using hot glue (not included) glue the wood tree in place.

How to tie a square knot:
