

14091806 Chenille Stem Beaded Wreath Craft Kit

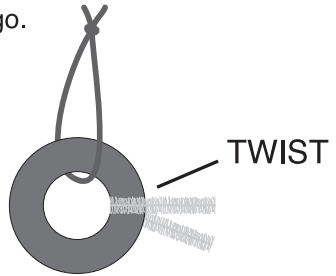

Instructions:

1. To make the hanger, loop the cording through the foam circle and tie in a knot.

2. Loop the chenille stems through the hole in the foam circle. Twist the chenille stems to secure. Alternate colors as you go.

3. To attach the banner, slide a chenille stem through the holes.

4. Slide the beads onto the chenille stems to decorate.
