

# 14096536 Rainbow Table Top Balloon Centerpiece

## Instructions:

Using the picture as a guide, insert the pieces together as shown.

Inflate balloons to about 3.5" inch diameter. Insert the ends of the balloon in the slots on the right side of the rainbow so that the knot is on the back side of the rainbow and slide them up to the top notch. Use every other slot so that the other slots can be used on the back side. Repeat with the left side balloons, then flip the rainbow to the back and repeat.
