

# 14096989 Cupid in a Jar Craft Kit

## Instructions:

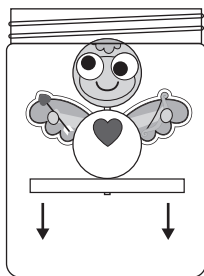

Using the picture as a guide, assemble the craft as shown.

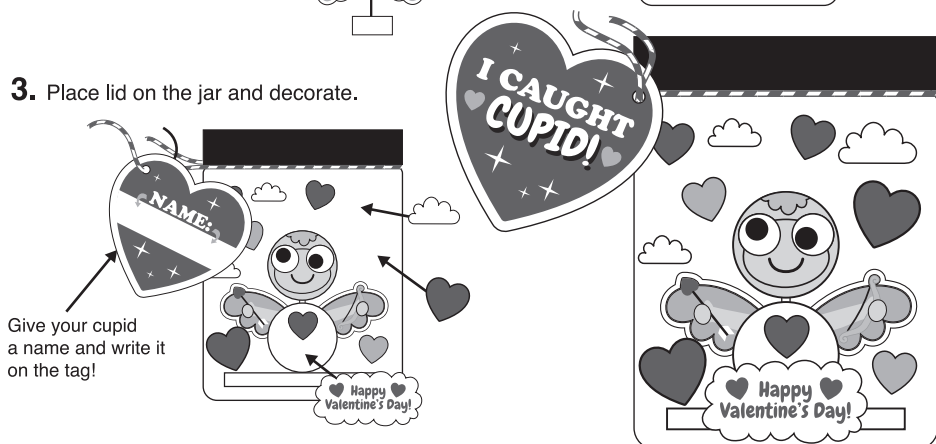

1. Assemble the cupid. Adhere the double-sided adhesive foam strip to the printed side of the wings. Adhere the wings to the cupid. Peel and stick the wiggle eyes.

2. Remove adhesive backing from the base and adhere the assembled cupid to the inside bottom of the jar.

3. Place lid on the jar and decorate.
