**Giant Chinese New Year**  
**Hanging Dragon Craft Kit**

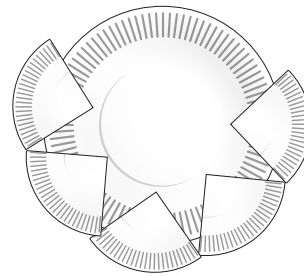

**Instructions:**

*Note: requires glue (not included.)  
To create the body sections of the dragon, you'll use one (1) red plate and five (5) white plate pieces for each.*

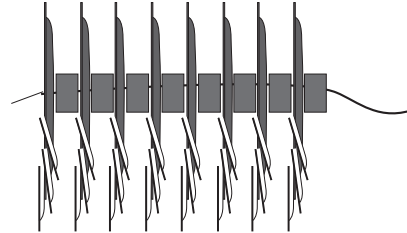

1. Color the dragon head and claws.
2. Decorate the white plate pieces with crayons, markers, colored pencils or additional craft elements like sequins, pom-poms and feathers (not included) as desired.
3. Glue the decorated pieces around the edge of the red plate to create the dragon's scales. Glue a pair of the dragon's claws onto 2 of the body plates to create the legs.
4. When the glue is dry, thread the dragon head, craft tubes and assembled plates onto the cording to create the dragon's body.
5. Use the cording to hang the dragon for display.
