

### 14097430 Moon and Star Craft Kit

#### Instructions:

Tie the ends of one piece of cording to the top hole of the moon to create the hanger.

Tie the ends of the other piece of cording to the hole of the star and the hole in the tip of the moon to create a loop for the star. Adjust the length so the star hangs in the middle of the moon. Trim any excess cording.

Using the picture as a guide, adhere the pieces together as shown.
