

14112413 Pet Shark in a Jar Craft Kit

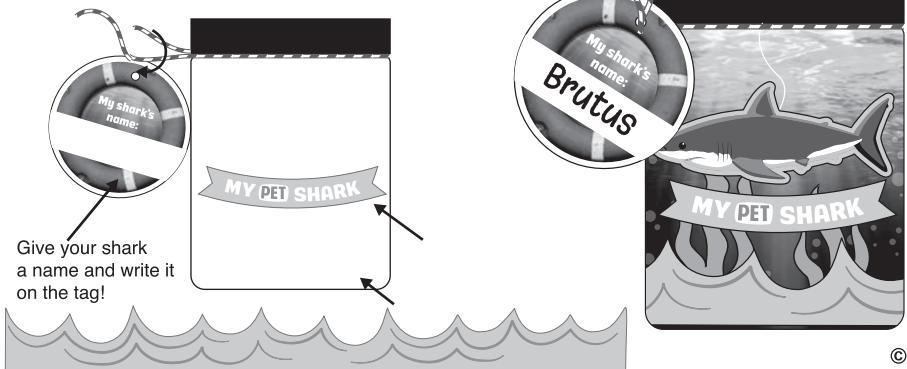

Instructions:

Using the picture as a guide, adhere the pieces together as shown. Use one of the foam circles to attach one end of the clear cording to the inside of the lid. Use the other foam circle and attach the shark to the other end of the clear cording. Place the paper insert inside the jar. Place the two plants into the slot in the foam base. Insert the foam base into the bottom of the jar.

Stick the foam waves and the foam banner to the outside of the jar as shown. Attach the tag by tying the twine around the lid.

Place lid on the jar and decorate.
