

14148580 Trinity Snowman Game

OBJECT

Be the first player to complete their snowman

SET UP

Adhere the 12 stickers to the dice (1 sticker per side of each die)

HOW TO PLAY

GAME DIRECTIONS (OPTION A)

- Provide each player with a game mat
- Set game pieces face up in piles – similar pieces per pile
- Select a player to go first with play moving to the left (clockwise)
- Player rolls both dice and collects the two pieces rolled
- Play moves to the next player
- If a player rolls a piece(s) that they have already collected, no piece(s) is collected, and play moves to the next player
- Repeat Steps
- The player who completes their snowman scene first wins the game

GAME DIRECTIONS (OPTION B)

- Provide each player with a game mat
- Set game pieces face up in piles – similar pieces per pile
- Select a player to go first with play moving to the left (clockwise)
- Player selects one of the two dice, rolls the die and collects the piece rolled
- Play moves to the next player
- If a player rolls a piece(s) that they have already collected, no piece(s) is collected, and play moves to the next player
- Repeat Steps
- The player who completes their snowman scene first wins the game
