

14194251 CINCO DE MAYO PAPER GARLAND CRAFT KIT

Instructions:

Using the picture as a guide, adhere the white foam pieces to the cardstock panels to create the fiesta design.

Fold the cardstock along the score line and place over the cording. Use glue (not included) to secure the cording inside the fold.

Layer the flower pieces together as shown. Use the double-sided adhesive foam strips to sandwich the cording between the flower and leaves. Use the adhesive dots to attach the center of the flowers.
