

14194662 DIY Wood Bead Ornament Craft Kit

Instructions:

Color or paint the wood pieces as desired. Use the picture as a guide to assemble the craft as shown.

1. Thread the wood ornament onto the middle of the cording. Make sure both ends of the cording are an even length, then tie a knot directly above the wood ornament.
2. Thread the 3 beads down onto both pieces of cording above the knot as shown. Tie another knot at the top of the wood beads to hold beads in place.
3. Loop the cording and tie the ends together to create the hanger. Trim excess cording if desired.
