

14268551 CYO Skip Counting Craft Kit

Instructions:

1. Write in the correct numbers on the bows, counting by 2's, 5's, or 10's.
2. Color in the kite and bows as desired.
3. Insert one end of the cording into the hole at the bottom of the kite. Tie into a knot to secure cording in place.
4. Lace the cording through the holes on the ten bows, spacing the bows apart. Tie into a knot to secure the cording in place at the bottom. If desired, use glue or tape (not included) to secure the bows in place on the cording.
