

14276037 TISSUE ACETATE HALLOWEEN BAT SIGN CRAFT KIT

Instructions:

To make the tissue paper glaze, mix white glue (not included) with a small amount of water until the glue is a thin liquid.

Use a paintbrush (not included) to apply the glaze to one side of the acetate sheet. Place the tissue squares on the acetate and then cover with a layer of glaze. Allow time to dry. Trim any pieces hanging off edge of acetate.

Using the picture as a guide, glue the black border and the bats to the craft and peel and stick the moon as shown. Tie the cording through the holes to create a hanger.
