

14276142 CRAFT STICK SCARECROW CRAFT KIT

Instructions:

Tie the ends of the cording to the sign to create the hanger.
Then adhere the craft sticks to the foam backing piece on the adhesive side.

Next, add the yellow hair, matching the ends to the backing piece.
After placing the hair, use the double-sided adhesive foam piece to attach the brim of the hat.

Using the picture as a guide, adhere the rest of the pieces together as shown. Use the sunflower to attach the bow.
