

# 14324422 3D Winter Scene Ornament

## Instructions:

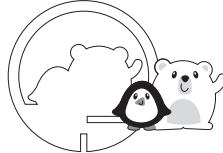

Using the picture as a guide, adhere the pieces together as shown.

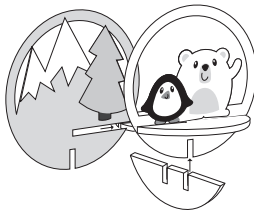

1. Adhere the mountains and tree onto the teal foam circle.

2. Adhere the penguin and polar bear onto the white foam circle.

3. Slide the teal and white circles onto the white base circle. Then slide on the half circle to help secure the pieces.

4. Place the structure in one half of the ornament ball, and close the ornament ball with the other half.

5. Tie the ends of the cording to make the hanger.

6. Peel and stick the small round snowflake pieces to the ornament. Stick the larger round pieces on the side seams of the plastic ball to secure the ornament closed.
