

# 14324432 Paper Strip 3D Santa Ornament Craft Kit Instructions:

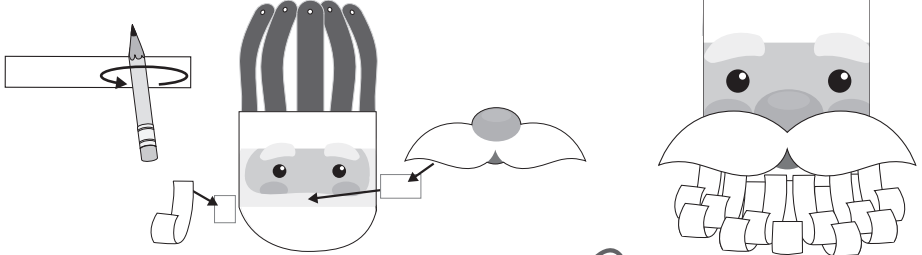

Using the picture as a guide, adhere the pieces together as shown.

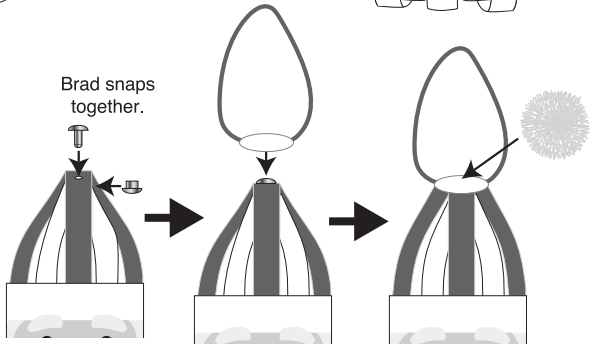

1. Assemble the Santa head with the double-sided adhesive tab.

2. Using a pencil (not included), curl the ends of the paper strips. Using the double-sided adhesive tabs, attach the curled paper strips and the paper mustache to the Santa face.

3. Gathering all of the hat strips together, align the holes and insert and close the brad. Using the double-sided adhesive circle, sandwich both ends of the satin cording between the brad and the foam circle to create the hanger. Secure with glue (not included). Use glue to reinforce the pom-pom to the top of the double-sided foam circle.
