

14324583 S'more Angel Ornament Craft Kit

Instructions:

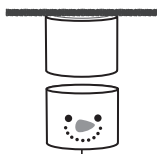

Using the picture as a guide, adhere the pieces together as shown.

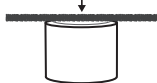

1. Adhere one side of the double-sided adhesive foam circle to the top side of the marshmallow.

2. Remove the paper from the top of circle and adhere the long brown chenille stem piece to the circle.

3. Adhere the other marshmallow on top.

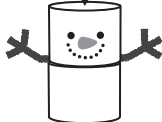

4. Twist one chenille stem piece on the end of each arm as shown.

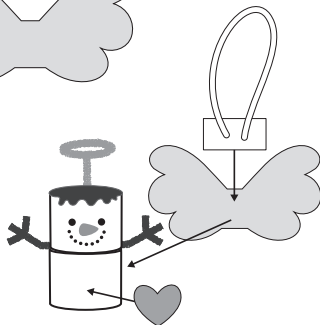

5. Twist the gold chenille stem to make a loop on one end for the halo. Bend the other end of the chenille stem at an angle.

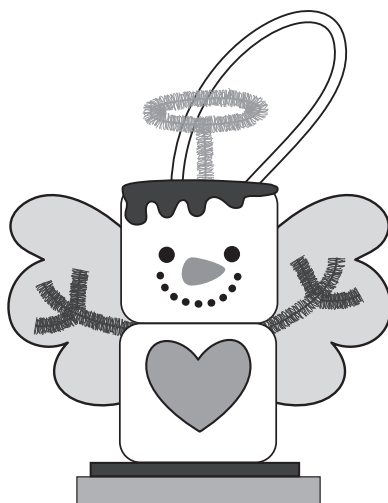

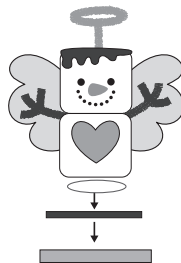

6. Use the brown paper chocolate to adhere the chenille stem halo to the top of the marshmallow.

7. Use the double-sided adhesive foam strip to adhere the wings and cord hanging hanger to the back of the snowman. Adhere the heart.

8. Adhere one side of the double-sided adhesive foam circle to the bottom of the marshmallow.
