

14335167 Seuss Grinch Kindness Tracker Wall Decor RESOURCE GUIDE

Example of
assembled kit:

Suggested use:

Help your class focus on kindness, and help the Grinch grow his heart! Hang the Grinch's heart on a wall, door, or bulletin board in your classroom.

- Discuss with your students ways to show kindness to each other and others in the school, at home, or in the community.
- Set a goal with your students for how many acts of kindness they will complete. (You could set a time frame or keep it going as long as you want.)
- When a student is caught doing an act of kindness, either by the teacher or another adult in the school or community, have the student write their name on a foam heart and put it on the chart.
- Once your class has filled the chart (or your goal has been met), celebrate with your students!
