

# 14356137 SEL Conflict Resolution Fortune Teller Assembly Instructions:

(A) Color the sheet as desired, then lay the piece flat and fold in half diagonally. (B) Then fold in half diagonally again. (C) Now open flat and place blank side up. Fold one corner toward the center, aligning the edges of the paper with the folded lines. Repeat for the opposite corner. (D) Fold remaining corners in to create a square. Keep paper folded and flip it over. (E) Now fold one corner to the center and then the opposite corner to the center. (F) Repeat with remaining corners to create another square. (G) Now, fold in half and open. Then fold in half the other way and open again. (H) Finally, flip it over, pull the four corners to the center and place fingers in pockets created by folding the paper.

## To play:

1. Ask the fortune teller for a solution to your problem.
2. Place your fingers in the pockets and choose a color.
3. Spell out the color as you open and close the game.
4. Choose a number that is showing in the center.
5. Count out the number and move your fingers along with the counting.
6. Choose another number, and lift the flap for that number to reveal the solution to your problem.
7. Complete the action shown under the flap.

\*Keep this fortune teller in your desk, backpack, or pocket so you can use it when a conflict arises.
