

14384064 Segmented Paper Shark Craft Kit

Instructions:

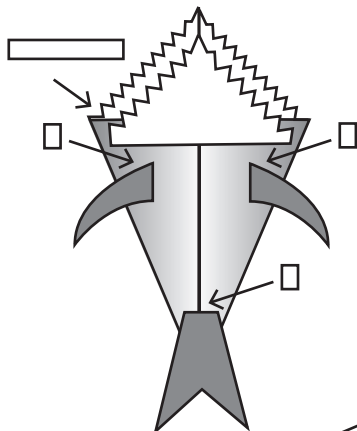

Using the picture as a guide, adhere the pieces together as shown.

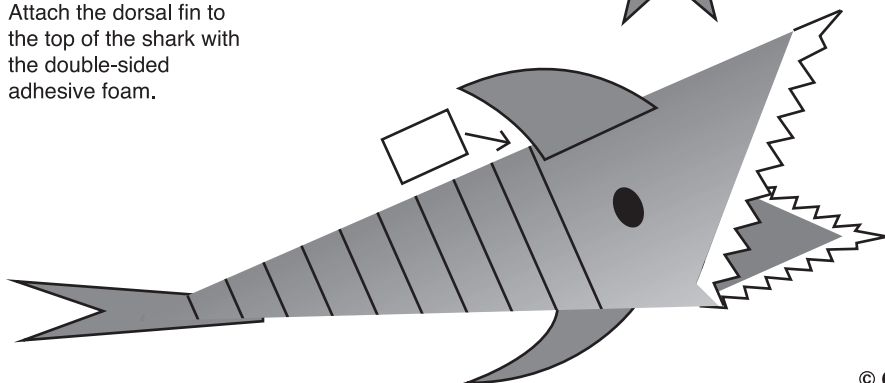

1. Fold the two side panels inward and secure with the large double-sided adhesive foam strip.

2. Attach the jaw, tail and fins to the underside of the shark with the double-sided adhesive foam.

3. Attach the dorsal fin to the top of the shark with the double-sided adhesive foam.
