

14421597 Squirrel Chomper Clothespin Craft Kit

Instructions:

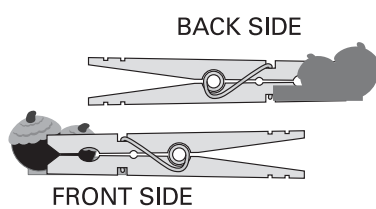

Using the picture as a guide, adhere the pieces together as shown.

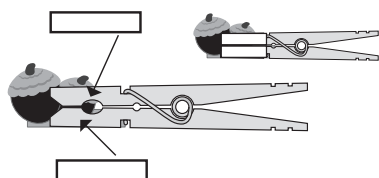

1. Adhere one of the double-sided adhesive tabs to the **bottom back side** of the clothespin as shown.

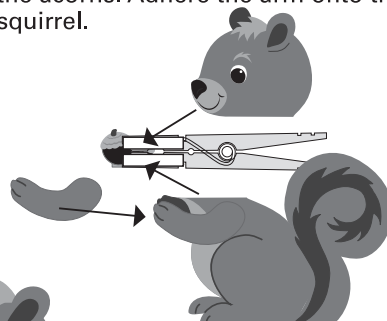

2. Adhere the piece with acorns onto the back side as shown.

3. Adhere the two other double-sided adhesive tabs to the **front side ends** of the clothespin as shown.

4. Adhere the head and body of the squirrel onto the ends of the clothespin as shown. Place them so they cover up the acorns. Adhere the arm onto the squirrel.

When you squeeze together the ends of the clothespin, the acorns will be revealed, as shown here.
