

# 14421679 Paper Plate Turkey Rocker Craft Kit

## Instructions:

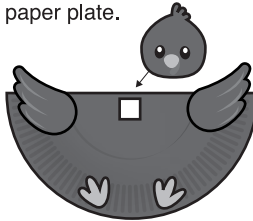

Using the picture as a guide, adhere the pieces together as shown.

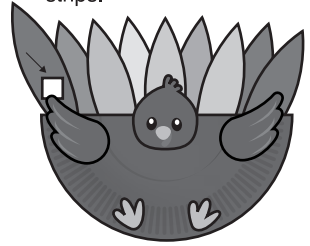

1. Fold the paper plate in half so the brown is on the outside. Adhere the feet.

2. Use the double-sided adhesive strip to adhere the head and wings to the paper plate.

3. Adhere the feathers to the back of the plate with the double-sided adhesive strips.

4. Gently tap the feathers to make the turkey rocker back and forth.
