

14436081 Air Dry Jack-O-Lantern Craft Kit

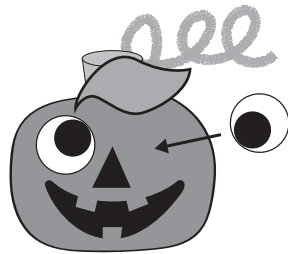

Instructions:

Using the picture as a guide, adhere the pieces together as shown.

1. Roll the clay into a ball and insert the cork and the chenille stem through the ball, leaving room at the top. Sandwich the leaves between the stem.

2. Curl the stem to create the vine. Adhere the face to the front.

3. Allow time for your craft to dry.
