

48/3262 FALL COLORS WEAVING PLACE MAT CRAFT KIT

1. Make your own place mat design or make the fall colors place mat as shown in the drawing by weaving the following foam strips through the place mat slits: weave the orange foam strip over the first slit, the green foam strip under the next slit, the yellow foam strip over the next slit, and the red foam strip under the next slit. If desired you may glue (not included) the ends of the strips to the place mat. Repeat until the place mat is finished.
2. Remove the adhesive backing from the foam leaves and adhere to the place mat as shown.
3. Adhere the acorn tops to the acorns and then adhere the acorns on top of the leaves.
