

48/4349 Color Your Own Teepee Craft Kit

Note: This craft requires glue (not included).

Instructions:

1. Color the pattern on the teepee.
2. Fold the teepee on the fold lines. Turn the teepee over to the plain white side and glue a chenille stem to all of the folds except the center fold. Allow time for the glue to dry.
3. Stand the teepee upright into a cone shape. Glue the tab inside of the teepee. You may need to hold the tab in place until dry.
4. Tie the cording around the chenille stems sticking out from the top of the teepee.
