

## 48/4515 Snowman Snow Measuring Stick Craft Kit

Note: This craft requires glue (not included). Be sure to have adult supervision if using a hot glue gun.

1. Adhere the numbers 1 through 9 in numerical order to the wood stick, start with the number one at the bottom of the stick.
2. Adhere the nose to the snowman's face.
3. Glue the wood brim to the bottom of the wood hat. Glue the red piece above the brim as shown. Adhere the star to the finished hat.
4. Glue the snowman's face above the notches in the wood stick. Glue the finished hat above the face so that it slightly overlaps the top of the head.
5. To create the arms, wrap the long chenille stem around the notch in the wood stick. Twist a short chenille stem around each end to create hands.
6. Wrap the scarf around the notch in the wood stick and tie in a knot. Place a dot of glue to secure. Allow craft to dry completely before use.
