

## 48/6747 Spring Bird's Nest Paper Plate Craft Kit

Note: This craft requires glue (not included).

1. Adhere the larger tree branch toward the bottom of the blue side of the paper plate as shown in picture. Adhere leaves onto the branch using the white double-sided adhesive foam circles.
2. Adhere the two small birds onto the paper plate allowing room to add the bird nest.
3. Glue the shredded paper onto the paper plate to make the nest for the two small birds. Allow time for glue to dry.
4. Adhere the clouds onto the paper plate.
5. Adhere the other branch onto the paper plate above the bird nest. Adhere the remaining leaves to the branch.
6. Adhere the big bird onto the branch.
7. To make the hanger, adhere a blue foam circle on each end of the satin ribbon to the back side of the paper plate.
